

Who we are

Libcare Medical Scheme (referred to as 'the Scheme'), registration number 1197, is a not-for-profit organisation, registered with the Council for Medical Schemes.

Liberty Health Administration (Pty) Limited (referred to as 'the administrator') is a separate company and an authorised financial services provider (registration number 2004/006809/07). We take care of the administration of your membership for the Scheme.

When you sign this form, you are requesting Libcare Medical Scheme to provide you with a quotation for a procedure you or a dependant is scheduled to have. This will enable you to compare the costs that your service providers have given you, with what Libcare will pay.

Please note:

You need to obtain an authorisation number from the pre-authorisations department first, before we can assist you with a pre-assessment request. To authorise the procedure, please call 0860 002 133. You will need the following information when you contact our pre-authorisations department:

- Date of service
- Treatment and ICD-10 code/s
- Practice number/s for the hospital and the treating doctor

Your doctor can provide you with this information. If you have any questions, please let us know. Once we have assessed your request, we will give you a quote letter.

How to complete this form

1. Please use one letter per block, complete in black ink and print clearly.
2. Please email the fully completed form to equiries@libcare.co.za.
3. To avoid unnecessary delays:
 - Complete all sections. We cannot provide you with a pre-assessment if section 5 is not completed.
 - Include all information, including the authorisation number.

By signing this application, you confirm that the information provided is true and correct.

1. Important details about pre-assessments

A pre-assessment helps you to understand your cover and any shortfalls you may have to pay

- With a completed pre-assessment, you are able to compare the costs that your service provider will charge, with the costs that Libcare will cover.

It helps you to understand any financial implications beforehand

- A pre-assessment is a quote and does not guarantee payment.

A pre-assessment is done on request and you need to ask for it before having the procedure

- We will only do a pre-assessment before the procedure is done and once we have issued an authorisation.
- We need at least seven working days to complete the assessment.

A pre-assessment does not replace the authorisation you need from the Scheme

- This is only a guideline for costs and what Libcare will pay according to the benefit structure and Scheme Rules. You still need to obtain the relevant authorisation before the procedure is done.
- Please note that this quote is valid according to the codes received. If your doctor changes or adds codes to this quote, this quotation will not be valid for the claim in question.

We will send the final assessment letter to you

- The information in a pre-assessment form is confidential, so we will send the final assessment letter to you only.
- We will send the completed assessment letter using the email address given in this form. If you do not give us an email address or if the details do not belong to you, we will post it to the address we have on our records for you.

Contact us if you have any questions about this pre-assessment form

- If you need to check or query anything about this application, please call us on 0800 12 CARE (2273).
